Bay community thanks dairy owner

Barry Wood presents Kawakawa Bay Dairy owner Yogesh Patel with a certificate of appreciation for his services to the community throughout the Covid-19 lockdowns.

Yogesh Patel's service to the community was acknowledged recently by Kawakawa Bay residents and the local Community Association.

Yogesh owns the Kawakawa Bay Dairy, and throughout lockdown he made sure the shop was kept well stocked for locals.

"Over the Covid-19 period the dairy had everything we needed," says Kawakawa Bay resident Barry Wood. "He made sure the shop was stocked for us, even though things

were hard for him as well. It meant we didn't have to travel out of the area, and we didn't have to waste time waiting in supermarket queues."

On behalf of the community and the Kawakawa Bay Community Association, Barry presented Yogesh with a certificate of appreciation and \$100 worth of petrol vouchers.

"I did as much as I could," says Yogesh. "I just tried my best. This award is a big thing!"

Life Jackets – One Size Does Not Fit All

Life jackets are probably the most crucial piece of safety equipment out on the water - yet Coastguard continues to come across boaties wearing incorrect life jackets or even worse, none at all.

Now is the time, before summer arrives, for boaties to ensure they have the correct size and type of life jacket for themselves and their passengers. Not only is it a legal requirement, but it is about being prepared for the worst - so everyone returns home safely.

Two key elements contribute to a life jacket's effectiveness:

1. First and foremost, you should WEAR IT. If something unexpected happens and you find yourself in the water, the wind and the tide will most likely drag it away from you, while you and your precious friends or family try to tread water until help arrives. If by chance you do manage to get hold of one, believe us when we tell you - it is incredibly difficult to put a

life jacket on while trying to tread water.

2. Secondly, your life jacket must be fit for purpose. Every passenger should have the correct size, including head support and a crotch strap.

- One size DOES NOT fit all. While life jackets can be found in infant, child, youth and adult sizes - they also include a weight and chest measurement that has been deemed appropriate for that style of life jacket. If it's too big, you will slip down, and the life jacket will obstruct your nose and mouth, impairing your ability to breathe. Conversely, if it is too tight, it may hinder your ability to breathe, and the buckles might break.
- Head support is vital, as it keeps an unconscious wearer floating face up with their head supported and clear of the water. We don't have to explain any further as to why that is important.
- Life jackets are not fashion statements, they are lifesavers. And the dreaded crotch strap is no exception. No matter

how well-fitting your life jacket is, a crotch strap ensures you and your life jacket never part company - as well as keeping your head and upper body above the water, with minimal effort, until help arrives.

Ask the staff at your local boating goods store to help you select a properly fitting life jacket.

Life jackets also help keep you warm while in the water - which can only be a good thing.

The Coastguard Old4New campaign runs every summer in December and January, travelling around the country offering a discounted upgrade on a brand new, fit for purpose Hutchwilco lifejacket. Now in its seventh year, the team has removed over 15,000 old and damaged lifejackets from New Zealand communities across the country. This year the programme will run from 12 December to 17 January, stopping in 63 locations around the country. Check out Old4New.nz to find out when the campaign is coming to a location near you.

And while we have your attention ... due to the unfortunate cancellation of the 2020 Ray White Beachlands Charity Golf Day we are focussing our efforts on and would love your support for the following summer fundraising activities:

- Coastguard NZ Summer Lottery - please buy your tickets from us - we receive \$7 from every \$10 ticket we sell - opens 20 November
- Beachlands and Maraetai Calendar by Claude Thérond \$20
- First Aid Kits \$40
- Ray White Beachlands Garage Sale - date and details TBA

We wish all local boaties a safe and enjoyable summer out on the water.

Do you know a good egg?

Perhaps they have done something wonderful for a neighbour, the community or even just something for you that deserves a pat on the back and a little treat to say well done.

Nominate them for the Pohutukawa Coast Good Egg of the Month Award! The winner of the Good Egg Award will be announced in the PC Times and will be presented with a restaurant voucher, plus a Spirit Hair voucher. Future nominations can be made at Coastal Treasures or Rosa Gifts in Beachlands Village.

Pohutukawa Coast Good Egg of the Month Award!

The Coastal Treasures Good Egg of the Month for October is one of our volunteer extraordinaires!

Ever wondered who lives at 25 Liberty Cres where you drop your donations for Coastal Treasures? Well that is Tania Leitch-Heggie's house. She is one of our specialist team who are the glue that hold Coastal Treasures together.

Tania (and hubby Mike) receive the donations. Tania sorts through everything, organising into the different areas. She works her butt off getting everything where it needs to go, stocking the shelves and racks of Little Coastal Treasures, tidying, working with new volunteers, moving excess through our network of charities in South Auckland and serving in the shop when there are gaps in the roster.

Nominated by Pam and Tiff she has been described as being strong, kind, dedicated, as funny as bananas with hats on and as cute as a basket of kittens. Tania's prize vouchers are donated by The Takutai Charitable Trust on behalf of Coastal Treasures and the generous Julie Smith from Spirit Hair and Makeup.

T&Cs: The monthly selection will be made based on number of nominations for a single person in a month and reason for nomination. A person can be nominated for consecutive months but can only receive the award once in a 12 month period. The winner must be willing to have their photo in the PC Times and a small write up about their good deed.

Board approves Clevedon road names

Franklin Local Board has approved the following names for roads within the Clevedon North subdivision at 52 North Road:

Public Road 1: **Beckby Way**. This name was suggested by the developer, and was supported by Ngāi Tai ki Tāmaki. The first wooden house built in the district belonged to the pioneering Thorp family, who built a two-storey homestead, named 'Beckby', in the mid-19th century. Beckby homestead was also where Bishop Selwyn preached and discussed potential sites for a church when he first arrived at Clevedon in 1858. The homestead no longer exists on the site so the applicant has proposed the public road be named in remembrance of this homestead.

Three commonly-owned access lots have also been named:

- **Kaihuia Lane** (Ngāi Tai ki Tāmaki preferred name). Kaihuia is the Maori name for a full grown native Nīkau. This accessway sits at the base of Nīkau Pā.

- **Te Rau Way** (Ngāi Tai ki Tāmaki preferred name). The name remembers Ngāi Tai hapū Ngāti Te Rau, who lived along the banks of Te Wairoa circa 1600s-1700s. They were so named for Ngāitai Tōrere (Bay of Plenty) tūpuna Te Raukohekohe who married Ngāi Tai Tāmaki (Ngāti Tai) rangatira Te Whatataau.

- **Nukuao Lane** (Ngāi Tai ki Tāmaki nominated name). Meaning a sheltered spot at the base of the maunga (mountain).

Auckland Council looks towards edge of cliff for funding

Auckland Council is proposing to sell two Beachlands clifftop public reserves which it says are surplus to requirements. Council notified its intention to revoke reserves located at 39R Pohutukawa Road and 17W Hawke Cres, Beachlands, via a notice in the Eastern Courier.

The notification has been met with disbelief by some local residents who plan to make submissions on the proposal.

John and Martina Toebosch have lived next door to the Pohutukawa Road reserve for seven years, and say the reserve is popular with locals, walking groups, tourists and cyclists. “Not a day goes by where we don’t see them walking up to the fence to admire the best view of the Hauraki Gulf and the area,” says Martina. “Their numbers far exceed the number of visitors to the large reserve across the road - probably by 50 to 1.”

Martina says the suitability of the site as a building platform is questionable, with an engineering report from Riley Consultants in 2016 (commissioned by Auckland Council) identifying stormwater and stability issues for the site. An earlier report by Fraser Thomas in 1992 identified a large sea cave which runs underneath the reserve.

Martina says the 39R Pohutukawa Road reserve was gifted by the original developers to the people of Beachlands in perpetuity. “It is not the council’s right to sell for lack of money, cleverly

Auckland Council wants to sell off this clifftop reserve in Beachlands, to help raise funds for its Emergency Budget.

disguised as a reserve no longer required. This would betray the original gift to the people of Beachlands and also deny future generations the enjoyment of such a beautiful back yard. A petition carrying approx 1200 signatures was successful in stopping a sale in previous years. Why try again?”

Other council-owned properties that are not required for current or future use in Auckland have also been listed for sale.

The Franklin Local Board has supported the reserve sales, on the proviso that funds are invested back into the local community.

Franklin Local Board deputy chair Angela Fulljames says the Pohutukawa Road and Hawke Crescent properties, held for some time in case they were used for coastal access, are no longer needed.

“Auckland Council has an ongoing programme to review the properties it holds to ensure the best use of the asset, and from time to time that sees property sold or used in some other way.

“Land or facilities that are sold with the permission of elected members can fund regional projects or services.”

Fellow Wairoa representative Malcolm Bell says boards can approve the sale of

‘in-service’ assets - those where it funds the upkeep, or which have previously provided a local function - and reinvest the funds into existing projects for other public amenities.

“The two properties were retained as Beachlands developed in case we needed to create beach access, but over time other paths have been developed, so these areas are no longer needed.

“Selling will save the money spent on maintaining them, and we can use the funds to advance other local projects.”

The board is looking at suitable projects before making a final funding decision.

Rydges awarded Formosa resort management contract

The large-scale renovation project underway at Formosa is on track for completion next month, and owners Beachlands South Ltd have announced the resort will be managed by hotel chain Rydges.

Daniel Whittaker has managed the renovation project on behalf of Russell Property Group, and says it is good to have Rydges on board. "They are great hotel operators with an excellent reputation for food and beverage offerings, so it was a good fit. When they came out to Formosa they were really excited about the opportunity."

Rydges will manage the conferencing, events, restaurant and accommodation aspects at the re-named Rydges Formosa Golf Resort.

Marcus Keenan from Rydges Wellington has been appointed general manager, bringing more than 20 years industry experience to his new role which he starts this Friday.

"I am excited to be moving to the beautiful Pohutukawa Coast this week to take on the role of general manager at the new Rydges Formosa Golf Resort," says Marcus. "I will lead the final stages of renovations which will see us unveil a completely refurbished resort in late November, re-establishing Rydges Formosa Golf Resort's reputation as one of New Zealand's premier golfing destinations."

"My vision is to deliver a refreshingly local experience that is down to earth with a strong focus on community. The investment in Rydges Formosa Golf Resort will allow us to play an active role supporting the local tourism economy and helping to keep the region top of mind with travellers; driving visitation from Auckland and right across New Zealand at a time when the appetite for domestic travel is strong, and then of course more broadly as borders reopen."

Photos show the newly renovated interior of one of the accommodation villas at Rydges Formosa.

Rydges is owned by EVENT Hotels and Resorts. EVENT's general manager for New Zealand operations, Simon White, says the group is excited to associate the Rydges brand with such a unique product in the Auckland region, and anticipates an enthusiastic response from the market.

"The resort will feature 50 refurbished one bedroom villas that can be configured into two-bedroom villas, well equipped conference facilities, a restaurant and bar, and onsite health facilities, a new driving range and a world-class 18-hole golf course designed by Sir Bob Charles."

Simon anticipates that the new resort will also appeal to the weddings and corporate events market, with capacity for both intimate gatherings and large groups of up to 300 guests, with full catering capabilities. "Guests also have the option to stay – and play – on site."

So far four of the 50 accommodation villas have been transformed with new, modern interiors, with the remainder of the villas scheduled for completion by 1 December.

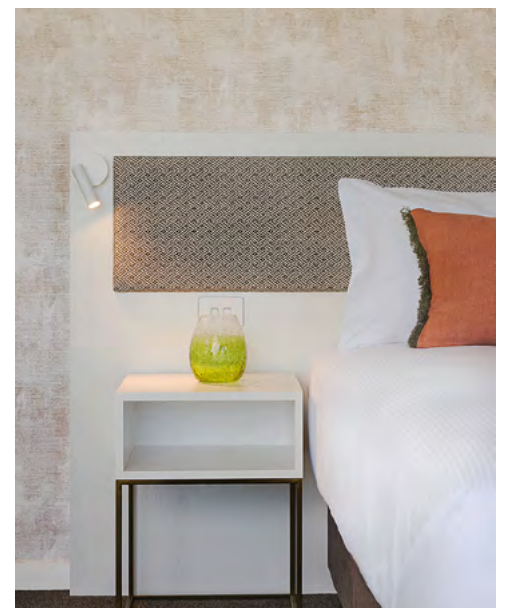

Also due for completion in December are the upgraded golf driving range and golf course green restorations. Golfers are already returning in droves. Daniel Whittaker says that when Beachlands South Ltd purchased the property earlier this year, there were 120 members. "Now

membership is up in the mid 200s. It's a real testament to the greenkeepers and the work they've done."

The pool, gymnasium and squash court facility remains on the to-do list. "It's been let go a bit more [by the previous owners], so we will have to see how we go once we start trading. But it's still very much part of the plan to have that area available as a community facility," says Daniel.

Rydges' management of the property is already benefiting the local community. General manager Marcus Keenan says: "We are currently recruiting locally for a selection of roles and are looking for individuals who align with our values, are community minded, passionate about hospitality and going the extra mile to deliver truly unforgettable experiences." Marcus says he's excited about working in such a prime location. "I can't wait to get settled in to the area and welcome travellers and the local community through the doors of Rydges Formosa Golf Resort later this year, whether for a getaway, round of golf, a special event or a bite to eat".

EVENT's Simon White says the new resort is particularly exciting for those living in the Whitford, Beachlands, Maraetai and

surrounding areas. "Not only will it offer great employment opportunities for locals, but it will also be operated as a stunning community facility for those living in the vicinity to enjoy."

Applications for employment at the resort can be made via seek.co.nz.

Council ups its response to litter

“So it is great news to hear that there will be an increase in collections. The bigger issue of trying to encourage visitors to take their rubbish home, or use the bins provided, is a much larger challenge.

Foodie Guide

Lamb with Roast Pumpkin Risotto

A modern take on roast lamb. Prep time 20 mins, total cook time 1.5 hours, serves 4

Ingredients

1 pack of lamb loin 550g (or lamb chops cooked as per this week's recipe)
1 pumpkin
1 onion
1-2 Tbsp cooking oil
2 cups of Arborio rice
1 glass of white wine
1-5 cups of chicken stock
1 dessert spoon of curry powder
salt to taste
Roast vegetables like carrots, parsnips or kumara chips.

- Jenny, foodbox.co.nz

Method

1. Roast pumpkin until soft at 180°C, approx. 40-50 minutes.
2. In a large fry pan on medium heat, brown onion in 1 Tbsp of cooking oil and in a separate pot heat stock.
3. Add rice to the fry pan and fry for 30 sec-1 min.
4. Add wine to the rice and fry for 1 min, then add a cup of warm chicken stock.
5. Cook chicken stock off and keep adding stock in 1 cup additions as the previous cup reduces down. Stir every 2-4 minutes. If you run out of stock add boiling water. Continue until rice is cooked.
6. Mix pumpkin flesh and curry powder through the rice. When risotto is done, set aside.
7. To cook the butterfly lamb heat oil in a fry pan and fry each side for 3 minutes, then transfer into an oven and cook at 180C for 5 minutes. Finally rest the meat for 5 minutes before slicing.
8. Meanwhile make kumara chips by finely slicing kumara (I used a food processor) and fry in 1 cm of heated oil. Pat dry on a paper towel.
9. Serve like below with a delicious Pinot Noir and with roast vegetables.

BARFOOT THOMPSON & Student Voice

LOCAL STUDENTS' NEWS, VIEWS & LITERARY TALENT

This column features news, views and literary talents of students from Beachlands, Maraetai, Clevedon, Brookby, Hunua, Paparimu, Orere and Ardmore Schools.

One student featured each week will be selected to receive a \$20 book voucher, thanks to Barfoot & Thompson's Beachlands and Whitford branches.

Orere School's Ag /Pet Day on the 17th of October was a smashing success. We raised an outstanding three thousand dollars, lots of the community came to support us in every way possible.

The competition between in the lamb category was fierce, it came down to two grand champions, April from the seniors and Hazel from the juniors. Not to mention one goat and one calf, the grand champions were Rudi and Stephen. This year we also had twelve adorable school chicks. There were other categories including pets, recycled animals and plants.

The things you could do were almost endless including face painting, lucky dip, and multiple different things to eat like homemade baking, Mrs Forse's world famous nachos and even a sausage sizzle sponsored by Hellers and Bakers Delight.

There were loads of raffles too! The things you could win were a kayak, gift cards, planting tools and seeds and tons of different food items. The people who won those raffles were incredibly lucky.

Due to Covid-19 we couldn't hold our annual Easter Gala, so this event was joint with gala for one huge event, it was so close to not happening, it is a miracle we were able to because of Covid.
