Club bowled over by community spirit: 15 years of work done in just 18 days!

Maraetai Bowling Club enjoyed a speed makeover earlier this year, thanks to community volunteers and the help of local businesses.

What do you get when a community rolls up its sleeves and gets stuck in? For Maraetai Bowling Club, the answer is nothing short of a complete transformation — 15 years' worth of repairs and renovations smashed out in just 18 days, all for only \$16,000.

Throughout the project, more than a dozen volunteers turned up each day, tools in hand, clocking up 1250 total hours of hard work.

"It was a really great vibe - we had music blaring all day to keep everyone energised," says club co-president Ross Peden.

Gone are the tired 60s wallpaper and 70s panelling. In their place: fresh interior paint, new spouting, cladding, insulation and a newly painted fence. Volunteers also carried out prep

work for a new shelter roof. The club's iconic honours boards, which have lined the walls since the 1960s, have been removed and replaced by a sleek 85" screen donated by Harvey Norman, which now displays a modern, easily updated version of members' achievements.

"It's all stored on the Cloud, so we can submit results over the weekend and by Monday they are on the honours board," says Ross. The spruce up comes hot on the heels of a brand-new roof won in a radio competition and a \$200,000 upgrade to the club's green. Ross says the refurbishment has made

Citizenship Ceremonies

In early March, with the help of local Councillor Daniel Newman and the local boards of Papakura and Franklin, Auckland Council ran three Citizenship ceremonies for about 800 people from all over Auckland, at the Due Drop Arena in Manukau.

One of my electorate office staff attended as my representative. It was a great occasion and she enjoyed shaking many hands and also read part of the list of 36 countries that our newest citizens have come from. The high numbers of people becoming citizens reflects that ceremonies were not held during Covid. But now many families, some with babies and small children, have been able to take the Oath or Affirmation of Allegiance to our King Charles the Third and New Zealand. I congratulate all the new citizens and wish them good fortune and a great life in New Zealand.

Minister for the Public Service

Since February this year, I have swapped being Minister for Science, Innovation and Technology with a new role as Minister for the Public Service. As such, I pledge to support the Public Service Chief Executive Officers’ efforts to deliver the best service possible for the employer we have in common – you

- the New Zealand taxpayer.

Beginning last year, the Public Service has done some very challenging work to right-size ministries and departments because from 2017 to 2023 the number of people employed in the ‘core public service’ grew 34 percent, to 63,117 full-time equivalent employees.

Total salary costs grew to about \$6.1 billion a year for the core public service which does not include defence, police, teachers, hospital staff or corrections staff.

New Zealand does not have sufficient taxpayers or economic growth to support the current level of public spending on so many public service employees. This is why I think it is really necessary to support the Public Service to find new solutions and new ways of working to lower their costs, including employment costs, while maintaining quality service delivery.

To involve staff in how we increase productivity in the public sector, a survey is underway that asks for ratings of how the employee considers their manager provides helpful feedback to improve employees’ performance and to help them provide good value for taxpayers’ money. The survey asks employees to describe if “inefficient decision making”, “low appetite for risk”, “too many meetings” or “limited use of AI” prevents them

performing better in a ‘Yes’ culture.

I back a ‘Yes’ culture and I back all Public Service leaders who take the initiative and inspire all of their staff to say ‘Yes’ to providing efficient respectful service for their customers.

ANZAC Day 2025

Please remember ANZAC Day that is on Friday 25 April 2025 this year. There will be Dawn Parades and Civil Services across the electorate of Papakura, wider Auckland and most other centres across New Zealand.

ANZAC Day Service details for Auckland will be on the Auckland Council website.

ANZAC Day is a national day of remembrance in Australia, New Zealand and Tonga that commemorates all Australians and New Zealanders who served and especially those who died in all wars, conflicts, and peacekeeping operations and we acknowledge the contribution and suffering of all those who have served and we acknowledge their families too.

I hope that parents and grandparents will spend time telling their children and grandchildren about the service men and women from their own families, whose bravery and sacrifice in fighting in the Pacific, Asia and Europe 85 years ago and more recently, was undertaken so that we, their descendants, could enjoy the continued freedom and democracy that we have being New Zealanders.

Student’s artwork wins school a \$20k shade sail

Beachlands School is set to receive a brand new shade sail valued at \$20,000, courtesy of Lidgard Shades, after 8-year-old student Lucy Staples was named the winner of the Melanoma New Zealand Get Spotted Colouring Competition.

With New Zealand having one of the highest rates of melanoma in the world, the competition plays a key role in educating young Kiwis on the importance of sun safety.

Each year, Lidgard Shades sponsors the art competition initiative in partnership with Melanoma New Zealand, raising awareness of the dangers of sun exposure, particularly among young children.

The 2024 competition saw an overwhelming response, with 1,669 colouring pages submitted from schools and early childhood centres across 13 regions nationwide. The judges were impressed by the creativity, skill, and thoughtful sun safety messages in many of the entries. However, Lucy’s use of shading, attention to detail, and intelligent answer to the sun

Lucy Staples’ winning artwork which scored Beachlands School a new shade sail.

safety question won the judges over and secured Beachlands School the winning prize.

As part of their award, Beachlands School will have a fully installed Lidgard Shades shade sail placed over an existing play area. The installation is scheduled to take place over this year’s Easter holiday break.

Developers pitch in to help at Beachlands School

A garden space at Beachlands School is given a makeover by Fletcher Living staff.

Beachlands School benefitted from a corporate volunteer day recently, with staff from Fletcher Living turning up to give the school gardens a makeover.

Fletcher Living spokesperson Roger Gribble says the company is in the midst of constructing its fourth development in Pine Harbour and Beachlands over the past 15 years.

“Over the past 10 years the company has changed its ethos to giving back to the community. Before we get into building we like to get involved in the community,” says Roger.

Staff spent half a day trimming back trees and clearing weeds from a section of the school’s garden, as part of the company’s ‘paid volunteer day’ where employees spend half a day working on a community project.

Jenni Loui is another Fletcher Living employee who was there to help on the day. She says she keeps the school updated with the development’s progress.

“We try and deal with all the schools in the areas where we are developing. So when we are ready to go, we’ve got that connection.”

Fletcher Living plans to start building homes within Stage 1 of its latest subdivision at 109 Beachlands Road in June.

Celebrating 18 years of property management, debt collection and admin services!

As we celebrate 18 years in business, I want to take a moment to reflect and share a message with both our valued clients and those who may be considering working with us.

To those who’ve been with us from the beginning — and to those who’ve joined us along the way — thank you for trusting us to look after your needs. And if we haven’t met yet, I hope this message gives you a sense of who we are and what we stand for.

When I first started this business, my goal was simple: to help people protect what they’ve worked so hard to build. Whether it’s through property management, debt collection or administration services, our business has always been built on a foundation of personal service, genuine care and open communication.

As a rental property owner myself, I know firsthand how important it is to have the right tenant, to be kept informed, and to know there’s someone actively managing your investment — not just ticking boxes. That’s the level of service I expect for my own properties, and it’s the standard we hold ourselves to for every client we work with.

Today, I’m proud to say we’ve grown into a small but dedicated team that shares this vision. We believe in doing business the personal way, with clear communication and consistent follow-up. You’ll never be left wondering where things are at.

As we mark this 18-year milestone, I’m reconnecting directly with our clients and introducing ourselves to those who may be looking for support in managing their property or recovering debts.

So, whether you’re an existing client or someone looking for a team that truly has your back, we’d love to hear from you. If you want to chat about your property management, debt collection, or admin needs, please don’t hesitate to reach out.

We remain committed to being a business that genuinely cares about the people we work with. Thank you for being part of our journey — and if we haven’t worked together yet, we hope to connect soon.

Rotary Club invites community to apply for funding

For the last two years the Rotary Club of Pōhutukawa Coast Inc. Charitable Trust (The Trust) has distributed funds into the community after receiving applications from groups and individuals. The monies dispensed were raised mainly by the Rotary Club's two main community events: the Rotary ALLFIT Coastal Fun Run and the GJ Gardner Beachlands & Maraetai Trolley Derby.

This year the Trust trustees once again invite applications from groups and individuals.

The basic details for the fund are:

- The Trust will not normally fund capital works, equipment, uniforms, or apparel of a personal nature.
- The Trust will not fund events, activities or projects where expenses or costs have already been incurred.
- The trustees are looking to ensure a reasonably wide distribution of funds, so grants may be capped in monetary terms.

Preference will be given to applicants:

1. Who reside on the Pōhutukawa Coast, Auckland. This area, in rough terms, is from Whitford

around the coast to Clevedon, including Beachlands and Maraetai.

2. Who wish to take part in a Rotary course.
3. Who need help to cover costs required to treat mental and general health conditions
4. Who wish to further their educational, sporting or cultural studies
5. Who are organisations that addresses a need or needs in the community
6. Who have paid for a portion of their costs already or have fundraised
7. Who wish to undertake an environmental project
8. Who can show that many people will benefit from the grant applied for

Applications open on 1 April 2025 and close on 30 April 2025 and should be made online at:

www.rotarytrolleyderby.co.nz/funding-applications.php

It is expected that applicants will be notified in mid May.

Any queries to: funding@rotarytrolleyderby.co.nz.

Learn how to combat invasive pest plants

Whitford residents and those in surrounding areas concerned about invasive weeds threatening local biodiversity have an opportunity to take action. On 13 April Predator Free Whitford will host an informative session featuring Auckland Council conservation advisor Kelly Wootton, who will shed light on the hidden threats of pest plants in the region.

A key focus of the talk will be woolly nightshade, an aggressive invader that is increasingly spreading across the region. This highly invasive weed grows quickly and forms dense stands, out-competes native plants, and poses health risks — its pollen and leaves can cause skin and respiratory irritation, while its berries are poisonous to humans and livestock.

The session aims to equip landowners and residents with practical knowledge and hands-on techniques for effective pest plant control. Attendees will learn how to identify problem species, manage their spread, and safely remove them before they take over local landscapes.

Bring your questions — and even samples! If you have pest plants on your property that you'd like identified, this is your chance to get expert advice.

Don't miss this opportunity to make a difference in preserving Whitford and the Pōhutukawa Coasts' natural environment. Spread the word, bring your neighbours, and join the movement toward a healthier, pest plant-free community!

RSVP by 9 April to whitford@predatorfreefranklin.nz. See you there!

BARFOOT THOMPSON & Student Voice

LOCAL STUDENTS' NEWS, VIEWS & LITERARY TALENT

This column features news, views and literary talents of students from Beachlands, Maraetai, Clevedon, Brookby, Hunua, Paparimu, Orere and Ardmore Schools.

One student featured each week will be presented with a certificate and a \$20 book voucher, thanks to Barfoot & Thompson's Beachlands and Whitford branches.

Bats

Bats are mammals.
Some drink blood, some eat fruit, some even eat bugs.
Bats are also nocturnal.
People kill bats.
Bats are helpful like bees.
They are more like people than animals.
They're incredible.

Coastal Cat Rescue ‘Cat of the Month’

Looking for a shiny, sleek, fun loving and affectionate mini panther? This golden eyed boy, and his handsome partner in crime are ready and waiting to begin the next chapter of their lives. Brodie and Diesel would love a home where they can continue to create mischief together. However they are also available separately to great homes that only have room for one.

Brodie and Diesel are around four to five months of age. They are well socialised, playful, calm, inquisitive and very affectionate characters who love to play and will compete for lap time and cuddles. They have lived with school aged children, dogs and in a busy household. These boys will adjust to most living situations and have a tonne of love to give. They just need the opportunity.

Brodie and Diesel have been vet-checked, neutered, have received their vaccinations, are up to date with flea and worm treatment and are microchipped (will be registered to new owner). An adoption donation applies to help us continue to give our rescue cats and kittens the best chance to enjoy the life they deserve.

If you would like to know more about these beautiful kittens, or want to enquire about the other adorable cats and kittens we have in care, please email coastalcatrescue.nz@gmail.com or join Coastal Cat Rescue (NZ) on Facebook and PM. Please include a little about yourself and the home you can offer.
